EXPERIENCE

RETAIL OPERATIONS COORDINATOR

Jerónimo Martins (Biedronka) | 2023 - present

- Led a cross-functional team of 16 people — coordinating daily task execution, resolving blockers, and ensuring 100% on-time task completion and smooth workflow.
- Tracked quarterly OKRs and KPIs, analyzed LFL performance, and prepared sales and marketing reports to support data-driven decisions.
- Designed and implemented Excel-based automation checklists, reducing manual task overhead for the entire team.
- Performed daily SAP ERP operations — inventory management, order processing, reporting, and complaint handling — maintaining consistent data accuracy.

Client Operation & Communication Support

Travel Agency - Step by Step | Sep 2019 - Mar 2023

- 3-language client communication (EN/RU/BE) | Jira task management for tech team | cross-functional coordination between clients and back-office | multilingual social media content.

COMMUNITY OUTREACH COORDINATOR

UNICEF | 2018-2019

- Facilitated 5+ community events (logistics, scheduling, stakeholder coordination) and 50+ student sessions at schools/universities on youth rights & health awareness.
- Adapted messaging for diverse audiences — students to school-age groups.
- Owned end-to-end prep: content, venue, timing, on-site delivery.

FREELANCE FRONTEND ASSISTANCE

UPWORK | Freelance

- Completed 3 freelance frontend projects on Upwork — building responsive landing pages and website layouts using HTML/CSS, managing client requirements, and delivering within agreed timelines. Maintained a 5-star client rating.
